Badge Details

Name	Self-Determination (Gold Level)
Issued To	ea.research.development@gmail.com
Description	With this curriculum, students will learn how to take control of their own lives and take steps in the direction of their personal goals. Students will first assess themselves and look at who they are, what they like to do and where they want to be in life. They will look at their strengths and weaknesses and make decisions about where to focus their energy. They will then learn how to speak up for themselves and set goals.
Criteria Summary	In order to receive this micro credential, the learner has achieved a passing score on the post-test for Self-Determination (Gold Level). To view the detailed description of the skills demonstrated by this learner, click the 'Criteria' link below.

Micro Credential Quick Start Guide (pg. 5)

There are four icons under the micro credential logo. These allow you to manipulate and share the information in the micro credential.

The icon on the far left allows you to download the micro credential logo.

[Note: This function downloads the image ONLY, not the description.]

Micro Credential Quick Start Guide (pg. 6)

The icon second from the left allows you to share the micro credential details with people like your friends, family and employers.

Once you click on the icon to share the micro credential, a pop-out menu gives you different methods for sharing the details of your credential.

Some of the more popular sharing methods:

'Email' copies a link to the credential to an outgoing email where you can specify recipients.

'Facebook' shares your credential to your personal Facebook page.

'Get Link' generates a pop-up window with a URL (web address) to your credential. You can cut and paste this into a browser or email.

Micro Credential Quick Start Guide (pg. 7)

The icon of the trash can allows you to PERMANENTLY delete the micro credential. [NOTE: This cannot be undone.]

The icon of the printer takes you to a screen to print the details of the micro credential.
