Champion Your Students!

Digital Badge Credentials (DBC) allow students to showcase skills developed through the completion of specific Career Preparation and Life Skills curriculum from Education Associates

\$120 per curriculum title

- Each DBC license grants the purchasing organization the ability to award an unlimited number of credentials for a specific curriculum title for one year.
- Each DBC license is priced by curriculum title, not by student recipient.
- DBCs are available for all EA curriculum except Career Awareness.
- DBCs may be used by any instructor within the same building without additional charge.
- DBCs may be applied to both new purchases and existing curriculum.*
- Each DBC license has a 1 year expiration period from the date of purchase order.
- EA will send a subscription renewal invitation 30 days before license expiration.
- **Once awarded, students can access their Digital Badge Credentials indefinitely!**
